

## STEP FOUR – CITE YOUR SOURCE

- Return to your NoodleTools Account
- Open your “Eng 11 Social Issue” Project
- Open “Bibliography”
- Find “Cite a...” and choose Online Database
- Click on “Create Citation”
  
- The overview article is Original Content written for *Opposing Viewpoints*
- Complete the boxes to create your citation based on the information you have collected
- Check for Errors and correct any mistakes—be sure to properly capitalize!
- Generate Citation

# !!STOP!!

When you complete these steps raise your hand to have your citation checked!
